CHAPTER OVERVIEW

Entering our ninth year since our establishment in 2018, the American Marketing Association at the University of Puerto Rico–Mayagüez continues to represent student leadership, innovation, and excellence. After consistently ranking among the Top Collegiate Chapters globally and achieving a historic Top 20 International recognition, our focus for this academic year is guided by one directive: AMPLIFY. Driven by this momentum, our goals and objectives are to position Puerto Rican student talent at an international standard through practical excellence and continuous growth, elevate AMA-UPRM's standing in the American Marketing Association International Chapter Awards by progressing beyond Top 20 recognition to secure a spot among the Top 15 Collegiate Chapters, and prepare members for internships, graduate studies, and successful careers by bridging academic concepts with industry experience. For AMA-UPRM, Amplify means more than increasing visibility; it means elevating the ideas, voices, and potential of our members. This year, our goal is to:

Expand our professional reach → **Strengthen** our chapter initiatives → **Raise** our departmental standards

Mission

The American Marketing Association at the University of Puerto Rico – Mayagüez (AMA-UPRM) strives to promote the professional growth of our members by giving them an enriching student experience that will allow them to gain knowledge in the marketing, business administration, and entrepreneurship fields.

Vision

We envision AMA-UPRM as a nationally recognized hub for marketing excellence, a place where driven students evolve into influential leaders by gaining the insight, experience, and network needed to thrive in a constantly evolving industry. Our vision is to cultivate a community where innovation is celebrated, diverse perspectives are amplified, and ambition is met with opportunity. Through sustained engagement with professionals, cutting-edge experiences, and a commitment to empowering every member, we aim to leave a lasting impact.

SWOT ANALYSIS

STRENGHTS:

- Consistent recognition as a Top Collegiate Chapter.
- Strong mentorship and professional guidance.
- Diverse leadership from different academic majors.
- Growing relationships with companies and professionals.
- Highly motivated E-Board and members.

OPPORTUNITIES:

- Collaborate with more student organizations, nonprofits, companies, and AMA chapters.
- Recruit students from the growing first-year population.
- Strengthen alumni relationships.
- Expand Elevate, AMA-UPRM's student-led consulting initiative.

WEAKNESSES:

- Misconception that AMA is only for marketing students.
- Limited financial support from the university.
- Limited prior E-Board experience among current officers.
- Challenges maintaining attendance because of academic workload and competing campus activities.

THREATS:

- University budget and tuition changes.
- Natural disasters and academic calendar disruptions.
- UPR administrative processes.
- Competition among student organizations.
- Geographic distance from Puerto Rico's metropolitan business hub.

PROFESSIONAL DEVELOPMENT

OVERALL GOAL:
Provide members with a continuous and dynamic professional development path from September to March that equips them with practical skills, industry exposure, and professional connections for their careers.

OVERALL STRATEGY:

Organize a month-by-month roadmap of talks, workshops, plant tours, and networking experiences that combine skill-building with real-world exposure, in collaboration with the Community and Social Impact, Communications, and Membership teams.

AMA Competition Participation

OUR COMMITMENT TO D.E.I

At AMA-UPRM, our commitment to Diversity, Equity, and Inclusion (DEI) is central to our mission, recognizing that innovation thrives on diverse perspectives, backgrounds, and academic disciplines. We amplify this commitment by recruiting beyond traditional business majors, fostering accessibility through initiatives like Sign Language workshops, and engaging in community service that addresses local health, environmental, and educational needs. Through mentorship, equitable access to professional certifications, and inclusive leadership development, AMA-UPRM ensures every member has the opportunity to belong, contribute, and thrive.

REFLECT

We are committed to actively seeking diversity in our membership and leadership roles, ensuring that our chapter represents a rich tapestry of backgrounds, being from diverse parts of Puerto Rico, and experiences within our university. As well as actively seeking collaborations with other diverse student organizations that focus on diversity and inclusion.

UNDERSTAND

We are committed to upholding the principles of DEI in everything we do, from E-Board meetings, academic seminars and confraternization activities to hands-on community initiatives. We foster accessibility and awareness through specialized projects such as Puerto Rican Sign Language workshops and community health, environmental, and educational outreach.

AMPLIFY

We strive to create an inclusive environment where every member feels valued, heard, and empowered to contribute their unique voice. By prioritizing mentorship, equitable access to professional certifications, and inclusive leadership development, AMA-UPRM ensures every member finds a place to belong, contribute, and thrive.
